Illinois Recognizes Chambers and Their Contribution to Illinois Commerce

Illinois Governor Rod Blagojevich has proclaimed September 8-13, 2008 as Chamber of Commerce Week throughout Illinois.

The Greater Aurora Chamber of Commerce Chamber has joined the Illinois Association of Chamber of Commerce Executives and the Illinois Chamber of Commerce in celebrating this special recognition of the contributions chambers of commerce make to Illinois civic and economic life.

In his Proclamation, Governor Blagojevich declared, "Chambers of Commerce have contributed to the civic and economic life in Illinois for 169 years, since the Galena Chamber of Commerce was founded in 1838. Chambers of commerce encourage the growth of existing industries, services, and commercial firms and encourage new businesses and individuals to locate in Illinois."

The Illinois Association of Chamber of Commerce Executives is dedicated to being an accessible and valued resource for the professional development of Chamber of Commerce directors and staffs in Illinois. For more information on IACCE or Chamber of Commerce Week, please visit www.iacce.org or contact President Elizabeth Kerns at 217.522.5512 x223 or Liz@iacce.org.
